

## Office of the Principal Investigator

Vulnerability to Viability (V2V): Global Partnership for Building Strong Small-scale Fisheries Communities-Bangladesh  
Department of Coastal and Marine Fisheries, Sylhet Agricultural University, Sylhet-3100  
E-mail: mahmud.cmf@sau.ac.bd, Cell: +8801711-288461

Memo No: SAU/CMF/SSHRC/Recruit/01/22/02

Date 01/02/2022

### PhD Opportunity

Department of Coastal and Marine Fisheries at Sylhet Agricultural University, Bangladesh, is seeking a potential candidate to fulfill a PhD position. The candidate will be recruited under the Vulnerability to Viability (V2V) global partnership project (<https://www.v2vglobalpartnership.org>), which is funded by Social Sciences and Humanities Research Council, Canada.

### Requirements

- A Master's degree in fisheries, marine science or related disciplines obtained before the starting date.
- The applicant must have good writing, reading, and proficient spoken skills in English.
- The candidate must demonstrate academic excellence and relevant knowledge and experience working with coastal and marine fisheries and connected livelihoods.
- Practical experiences of fieldwork in coastal Bangladesh, surveys and/or interview methodology is desirable.
- Good skills in advanced statistical analyses will be an advantage but not mandatory.

### Benefits

- The PhD student will be fully funded, with an attractive monthly stipend for three years.
- The fieldwork expense will be covered separately.
- The student will have the opportunity to do an internship at the University of Waterloo, Canada.
- The project secretariat at the University of Waterloo will also offer travel support to attend conferences.

### How to Apply

The interested applicants are invited to submit application materials in a single pdf file, through proper channel (if applicable), by email to [mahmud.cmf@sau.ac.bd](mailto:mahmud.cmf@sau.ac.bd) latest by the deadline, **February 28, 2022 (11:59 pm)**.

The application should include:

- A cover letter stating the candidate's scientific interests and what motivates them to apply for this position.
- A Curriculum Vitae, including a short description of academic qualifications and publications.
- A copy of undergraduate and master's degree certificates and course grades.
- The names and contact information (address, email address, and phone number) of two referees.
